

PITFALL™

THE MAYAN ADVENTURE

Harry Jr.

I've been taken captive by the spirit of an evil Mayan warrior. Need help right away!

Continue journey as planned — through the rain forests and mines, past the waterfalls and ruins. But be careful . . . the Mayan empire is filled with deadly traps and enemies. Think fast and move even faster.

Hurry! Time is running out . . .

Pitfall Harry

Swing from vines, soar off bungees and take a ride in an abandoned mine car as you venture through five action-packed worlds!

Watch out for sinister gargoyles, deadly crocodiles, ghostly skeletons and lethal traps -- like fiery pendulums and the wall of tongues!

Animation by award-winning Kroyer Films! Soundtrack by Academy Award-winning Soundelux Media Labs!

Hidden in the game is the entire original Atari 2600 version of Pitfall!
