

THUNDER SPIRITS

Technosoft

Explore the outer limits of Action/Arcade excitement at planet warping speed!

A super-powered starship is under attack, and the pilot has to maneuver it over all sorts of terrain to make it out alive.

Eight intergalactic stages make up the action in this fierce test of strength and agility. You'll have lots of powerful weapons to help you along the way, but firestorms and dangerous enemies should provide ample challenges to keep you on the edge of your seat.

Just when you think you've made it through a level, you'll encounter gruesome boss characters that'll make you wish you were already dead. It's going to be one heck of a battle, but if you can buckle down and use your head, you might just live to tell about it
