

# ZOMBIES ATE MY NEIGHBORS™

## THE NEIGHBORS ARE JUST DYING TO MEET YOU!

Hey, where's that scary music coming from? Yikes! It's *Zombies Ate My Neighbors*, where you appear in every demented horror flick ever to make you hurl ju-jubes.

What are two wholesome teenage stars doing in a 16-bit game like this?! Trying to save the nice neighbors, cheerleaders and babies from a fate worse than polyester!

Who could put this SLICE of suburbia in such a goose-pimply hysteria? *Zombies*, relentless Chainsaw Maniacs, Mummies, Evil Dolls that just won't die, Lizard Men, Blobs, Vampires, Giant Ants, Martians and more.

Will these crazy kids survive the night? You can fend off the freaks with a virtual candy counter of weapons like Uzzi squirt guns, exploding soda pop, bazookas, weed wackers and ancient artifacts. Also grab power ups-a-rama like secret potions and Bobo clown decoys. Use your victim radar viewer. Does this game ever end?!

Where else will they turn up? Find your way through 55 horror-filled levels like a grocery store gone bad, a shopping mall awry, a mysterious island and your own back yard. Don't miss "Weird Kids on the Block", "Mars Needs Cheerleaders" and "Dances with Werewolves".

Play *Zombies Ate My Neighbors*. But don't be surprised if your friends are missing when you hear the sound of the chainsaw hissing!
